500-SERIES

The Saturn 500-Series Radiant Char-broilers are designed to produce perfectly broiled food with the expected char markings and flavor. Easy to operate and available in widths from 24" to 72" to fit every operation.

HEAVY-DUTY GAS RADIANT CHAR-BROILERS

Standard features include:

- Heavy-gauge stainless front, and sides
- Welded and smooth-finished seams and edges
- Fully-insulated broiler body with replaceable inner liner conserves energy
- Individually-controlled 15,000 BTU stainless burners for every 6"
- Removable, reinforced cast-iron radiants provide uniform heat distribution for even broiling and prevent burners from clogging
- Forward-slanting, heavy cast-iron top grates have cast-in grease trough to move excess grease to the full-width grease gutter and drip pan to prevent flare-up
- Grates are 3" x 21" sections so they are easy to remove and to clean
- No tools needed to remove grates, radiant covers or burners
